

## **RSI to Re-Roof Gaslamp Strip Club Steakhouse & Dick's Last Resort**

**RSI Roofing** of San Diego has signed a contract with the management of **The Gaslamp Strip Club Steakhouse** and **Dicks Last Resort** to re-roof their buildings; both located in downtown San Diego. **RSI** will be installing a *Firestone* 60-mil Single-Ply TPO system covering over 10,000 square feet. *“The logistics of performing a job downtown requires a lot of planning and preparation. RSI will be loading & unloading before working hours and installing a “Green” single ply system that is very noise-friendly to both the tenants and customers.”* –David Susi, President –**RSI Roofing**
