

RSI Roofing re-roofs Grand Pacific Palisades Resort & Hotel

RSI Roofing of San Diego is in the process of re-roofing Grand Pacific Palisades Resort & Hotel, located in Carlsbad, CA. The hotel and lobby is receiving a re-roof, covering 130,000 square feet. **RSI** is installing *Firestone* Single-ply TPO, a white reflective roofing membrane-which is in accordance with the California mandated **Title-24** cool-roof energy requirements, according to David Susi-president at **RSI**. **RSI's Roof Maintenance** division will also be performing **Preventative Maintenance** on four of the resort's buildings. *“Grand Pacific Resorts choose a very environmentally friendly and energy efficient roofing system. This White Reflective Roofing System is a great way to Go Green, and is expected to save 20% in energy usage on the top floors of the Resort; David Susi.*
