

RSI re-roofing 5-story office building

RSI Roofing of San Diego has signed a contract with Hillview Properties to re-roof an 18,000 square foot office building located off of Friars road in San Diego. **RSI** is installing a **GAF EVERGUARD** 60 mil Single-Ply TPO system in accordance with the California mandated title 24 cool-roof energy requirements. *“For this particular job we are using our portable roof mounted crane, which provides more convenience and less distraction for the tenants.” “Approaching the job in this way limits noise and distractions for the tenants in this highly trafficked area”*-David Susi, president of **RSI Roofing**.
